

ISSAID Programme Day by Day

Day 1 - Wednesday 7 April 2027

17:00 - 18:30	**Opening ceremony**	
17:00 - 17:15	President's address	Erkan Demirkaya (CA)
17:15 - 17:30	Welcome from local chairs	Helen Lachmann (UK) & Sinisa Savic (UK)
17:30 - 17:45	Announcement of award winners	Helen Lachmann (UK) & Sinisa Savic (UK)
17:45 - 18:00	Keynote lecture	Luke O'Neill (IE)
18:30 - 19:30	**Welcome reception**	

Day 2 - Thursday 8 April 2027

08:00 - 09:00	**Breakfast sponsored symposium**	
09:00 - 10:30	**Immunological disease continuum turns 20**	
09:00 - 09:30	Birth and evolution	Dennis McGonagle (UK)
09:30 - 09:50	Behçet's syndrome along the autoinflammation and autoimmunity continuum	Gulen Hatemi (TR)
09:50 - 10:10	Subcontinent of autoinflammation: The Indian experience	Deepti Suri (IN)
10:10 - 10:20	*Selected oral abstract*	
10:20 - 10:30	*Selected oral abstract*	
10:30 - 11:00	**Coffee break & poster viewing**	
11:00 - 12:30	**Inflammasomes: Past, present and future**	
11:00 - 11:30	NLRP3 inflammasome update	Clare Bryant (UK)
11:30 - 11:50	Actin immunity and inflammation	TBD
11:50 - 12:10	Inflammasome sensors	Dave Boucher (UK)
12:10 - 12:20	*Selected oral abstract*	
12:20 - 12:30	*Selected oral abstract*	
12:30 - 14:00	**Lunch break & poster viewing**	
12:45 - 13:45	**Lunch sponsored symposium**	
14:00 - 15:30	**VEXAS and clonal myeloid inflammation**	
14:00 - 14:30	VEXAS still vexing	David Beck (US)
14:30 - 14:50	Clinical overview: Where we now	Adam Al-Hakim (UK)
14:50 - 15:10	VEXAS-like	Sophie Georgin Lavialle (FR)
15:10 - 15:20	*Selected oral abstract*	
15:20 - 15:30	*Selected oral abstract*	
15:30 - 16:00	**Coffee break & poster viewing**	
16:00 - 17:30	**Omics in autoinflammation**	
16:00 - 16:30	ImmunAID: Lesions from mutli-OMICs	Bruno Fautrel (FR)
16:30 - 16:50	Single cell and spatial transcriptomes: Role in SAID	Isabelle Meyts (BE)
16:50 - 17:10	FPID Daniel L. Kastner Award for Excellence in Autoinflammatory Diseases	Ivona Aksentijevich (US)
17:10 - 17:20	*Selected oral abstract*	
17:20 - 17:30	*Selected oral abstract*	

Day 3 - Friday 9 April 2027

08:00 - 09:00	**Breakfast sponsored symposium**	
09:00 - 10:30	**Year in review**	
09:00 - 09:30	Next generation phenotyping technology to improve diagnostics in rare disease	TBD
09:30 - 09:50	Year in review: Clinical	Erkan Demirkaya (CA)
09:50 - 10:10	Year in review: Basic	Lori Broderick (US)
10:10 - 10:20	*Selected oral abstract*	
10:20 - 10:30	*Selected oral abstract*	
10:30 - 11:00	**Coffee break & poster viewing**	
11:00 - 12:30	**Cell death**	
11:00 - 11:30	Necroptosis	James Murphy (AU)
11:30 - 11:50	Pyroptosis	TBD
11:50 - 12:10	Mitochondrial cell death	Stephen Tait (US)
12:10 - 12:20	*Selected oral abstract*	
12:20 - 12:30	*Selected oral abstract*	
12:30 - 14:00	**Lunch break & poster viewing**	
12:45 - 13:45	**Lunch sponsored symposium**	
14:00 - 15:30	**Genetics and biomarkers**	
14:00 - 14:30	Interpreting VUSs in autoinflammation	Thomas Henry (FR)
14:30 - 14:50	Somatic variants in autoinflammation - not just VEXAS	Kazushi Izawa (JP)
14:50 - 15:10	New biomarkers for autoinflammation	Adriana De Jesus (US)
15:10 - 15:20	*Selected oral abstract*	
15:20 - 15:30	*Selected oral abstract*	
15:30 - 16:00	**Coffee break & poster viewing**	
16:00 - 17:30	**Advanced therapeutic**	
16:00 - 16:30	Safety and efficacy of RNA therapeutics	James Thaventiran (UK)
16:30 - 16:50	Emerging therapies for VEXAS	Sinisa Savic (UK)
16:50 - 17:10	CAR-T and gene editing	TBD
17:10 - 17:20	*Selected oral abstract*	
17:20 - 17:30	*Selected oral abstract*	
19:30 - 23:30	**Networking dinner (Upon additional registration)**	

Day 4 - Saturday 10 April 2027

09:00 - 10:30	**State of the art**	
09:00 - 09:30	FMF	Serdal Ugurlu (TR)
09:30 - 09:50	Type I interferonopathies: Clinical spectrum and targeted therapy	Min Ae Lee-Kirsch (DE)
09:50 - 10:10	H20/RELA/APLID	Michael Ombrello (US)
10:10 - 10:20	*Selected oral abstract*	
10:20 - 10:30	*Selected oral abstract*	
10:30 - 11:00	**Coffee break & poster viewing**	
11:00 - 12:10	**Autoinflammation expanding the spectrum**	
11:00 - 11:30	Autoinflammatory vasculitis	Seza Ozen (TR)
11:30 - 11:50	COPA-clinical spectrum and emerging treatments	Marie-Louise Fremond (FR)
11:50 - 12:10	uSAID/SURF	Marco Gattorno (IT)
12:10 - 12:30	**Closing remarks**	
12:10 - 12:20	Closing remarks	Helen Lachmann (UK) & Sinisa Savic (UK)
12:20 - 12:30	Announcement of ISSAID 2029	TBD
