Group Data Management

Upon receipt of your payment, you will receive by e-mail an internet link giving you direct access to your group portal. You will be able to enter names, allocate your reservations, settle open invoices and download documents.

Through this personalised portal, you will be able to enter your participants' details and assign the services you have purchased such as registration and/or hotel bookings.

Names of all participants (registration and/or accommodation) must be submitted and reservations assigned online before Tuesday 05 July 2022.

Any modifications and cancellations are to be communicated to MCI's team by email in order to be validated (please refer to the points «Modification & Cancellation» above to view the charges relating to these operations .

The Group Leader hereby commits to manage group registrations and/or hotel reservations using the tools proposed by the official registration and/or housing bureau. The reservation system's portal will be used to respect relevant registration and, if applicable, accommodation deadlines. Access to this tool will be provided upon full payment of deposits required.

Contact information is to be entered in the system including the full coordinates of the participant of the event. No generic agency coordinates will be accepted if reservations are handled by a third party or on the behalf of a sponsor.

Reservations for registration and/or housing will then be assigned and updated through the reservation system's portal and managed by the group leader or its internal representative.

MCI, as the Official Registration and/or Housing Bureau will not be responsible for entering contacts' coordinates nor assigning services on behalf of the entity hereby engaged in this contract.

Should the Group Leader or the entity engaged in the present contract choose not to proceed with the proposed online tools, MCI will charge a fee of 18 USD per participant, to import the participants' detail information under the group or a fee of 27 USD per participant to import the participants' detail information under the group and assign the corresponding services, provided that the full coordinates are supplied.
