## GUIDELINES FOR ePOSTER PRESENTATION MODERATORS

### INSTRUCTIONS

- You will guide attendees through a series of ePoster presentations, delivered on dedicated ePoster stages followed by an interactive discussion.
- Please be present at the allocated ePoster stage 5 minutes before the start of the session and wait for the chair/co-chair and other participants to join.
- A staff member will be there to assist you.
- There will be a speaker lectern with a microphone for each presenter and a rotating microphone shared between moderators and the audience for questions.
- Participants will be equipped with headsets.
- The full abstract texts of the posters presented during the ePoster sessions are available on the ESPEN Congress Website or more conveniently in the ESPEN Congress App. You may [click here](#) to view the online programme and consult all ePosters.
- Presenters may upload optional supporting material, including a short audio or video presentation, to complement their ePoster.
- Please ask the ePoster presenters to give a short 5-minute presentation of the highlights of their work, followed by 2 minutes for Q&A.
- After each presentation, you will moderate an interactive discussion with the presenter and participants attending the session to further discuss the work. This discussion should not exceed 2 minutes.
- Time keeping is extremely important, please ensure quick switching between presenters to keep the session on schedule.
- Please try and ensure the session begins on time and keep all presenters to their allocated time.
- Each session has 2 allocated moderators - if one of the two moderators is not there for start, please begin anyway.
- Should a presenter not arrive for his/her presentation, please skip their ePoster, and continue with the next one scheduled.
- Failure to present deprives the audience and leaves a space in the programme that might have been filled by another presenter. Please inform the organisers at [espen.scienti@mci-group.com](mailto:espen.scienti@mci-group.com) should any presentation failures happen during your session.
- Presentations will be held at 4 ePoster stages during lunch and coffee breaks. More information about specific presentations will be provided in the notification letters of acceptance.
