

Wednesday, 16 September 2026

13:00 - 14:00

Working Party Meeting 1, 2 & 3

MR 9, 11 & 13

More details will be available soon

14:15 - 15:15

Working Party Meeting 4, 5 & 6

MR 9, 11 & 13

More details will be available soon

15:30 - 16:30

Working Party Meeting 7, 8 & 9

MR 9, 11 & 13

More details will be available soon

16:45 - 17:45

Working Party Meeting 10 & 11

MR 9 & 11

More details will be available soon

18:00 - 19:30

Opening ceremony

Main Congress Hall A+B+C

- Welcome to PReS 2026 - Local Chair
- Welcome to Belgrade - City/country official
- President's address & Honorary Members awards
- Barbara Ansell Lecture
- ENCA Welcome
- HP Welcome
- EMERGE Welcome & YIM Awards

19:30 - 21:30

Welcome Reception

Main Congress Hall A+B+C

Thursday, 17 September 2026

08:30 - 09:30

Year in Review

Main Congress Hall A+B

08:30 - 09:00 Year in Review: Clinical

09:00 - 09:30 Year in Review: Basic/Transitional

8:30 - 10:45

Networking meeting - Latest Scientific Insights for HP's

Amphitheatre

More details will be available soon

09:45 - 10:45

Grand debate 1: Controversies in treating CCNU: which is the best treatment?

Main Congress Hall A+B

More details will be available soon

10:45 - 11:15

Coffee break, visit of the exhibition and poster viewing

Exhibition Area; MR 4, 5 6 & 7

11:15 - 12:45

Cellular targeted therapies in pediatric rheumatology

Main Congress Hall A+B

- CAR-T in ped rheumatology
- Bone Marrow Transplantation as a therapeutic option in ped rheumatology
- Bispecific molecules targeting pediatric rheumatology disease

11:15 - 12:45

Exploring the impact of imaging in diagnosis, therapeutic decisions, and disease monitoring in ERA/JSpA.

Amphitheatre

- JSpA/ERA: a long journey from childhood
- Rheumatologists and Radiologists: unavoidable interaction in dissecting JSpA /ERA
- What pediatric rheumatologists can learn from adults with SpA

13:00 - 14:00

Sponsored lunch session

TBD

More details will be available soon

13:00 - 14:00

HP session: Great debate: Does a longer admission improve outcomes?

Amphitheatre

- For the motion
- Against the motion

14:15 – 15:45

Immunological consequences after immune interventions, lessons for pediatric rheumatology

Main Congress Hall A+B

- Check point inhibition in oncology
- Immune monitoring after
- Mucosal side effects of novel biologicals in atopic dermatitis?

14:15 - 15:45

All about Brains

Amphitheatre

- Inflammatory Brain Disease and Fires for Clinicians
- Pediatric Stroke

**15:45 - 17:30****Coffee break, visit of the exhibition and moderated poster tours****Exhibition Area****17:30 - 19:00****Childhood myositis around the world****Main Congress Hall A+B**

- The environmental triggers of childhood myositis: the view from South America
- Challenges with the diagnosis, access to care and treatment for children with myositis, the view from Africa
- Advanced therapies in childhood myositis, the experience of CAR-T cell therapy in China

17:30 - 19:00**Pathway discovery by tissue immunology in pediatric rheumatology****Amphitheatre**

- Exploiting the insights from synovial tissue in JIA
- Exploiting new insights in the muscle and skin in JDM
- Interstitial Lung Disease, linking inflammation to the tissue

Friday, 18 September 2026

08:00 - 09:30**Updates on pediatric vasculitis and vasculopathies****Main Congress Hall A+B**

- Behçet Disease
- PAN
- Autoinflammatory perspective

08:00 - 09:30**HP session: Rotational workshop Importance of Self-care - Mindfulness & Exercise****Amphitheatre***More details will be available soon***09:45 - 10:45****Grand debate 2: Subclinical synovitis needs to be treated?****Main Congress Hall A+B**

- For the motion
- Against the motion

09:45 - 10:45**PreS/HP session: Dietary manipulation for the immune system****Amphitheatre***More details will be available soon***09:45 - 10:45****ENCA session: AI, Digital Health & Connected Care in Pediatric RMDs****Hall C**

- Digital Health in Daily Life: Apps, Wearables & Remote Monitoring from the Patient & Family Perspective
- Co-designing the future: How patient, families & professionals can shape ethical and useful digital health

10:45 - 11:15**Coffee break, visit of the exhibition and poster viewing****Exhibition Area; MR 4, 5 6 & 7****11:15 - 12:45****Revisiting SLE - from pathogenesis to treatment****Main Congress Hall A+B**

- Pathogenesis of SLE with latest updates on cellular and molecular pathways.
- LN Guidelines
- General Guidelines

**11:15 - 12:45****Towards personalised medicine in pediatric rheumatology****Amphitheatre**

- From classification to treatment, how will biology help
- Towards personalized care for JIA (UCAN CAN DU), a roadmap to implementation
- Decoding RA Pathogenesis with single cell omics

11:15 - 12:15**ENCA session: Local patient session****Hall C***More details will be available soon***13:00 - 14:00****HP/ENCA session: Building patient networks****Amphitheatre***More details will be available soon***14:15 - 16:15****PReS general assembly + PReSTAR meeting****Main Congress Hall A+B***For members only***15:45 - 17:30****Coffee break, visit of the exhibition and poster viewing****Exhibition Area; MR 4, 5 6 & 7****17:30 - 18:30****HP session: Neurodiversity & Pain in Rheumatology****Hall C***More details will be available soon***17:30 – 19:00****Cutaneous Lupus: Pathology, Diagnosis & Treatment****Main Congress Hall B+C**

- Pathologic features of cutaneous involvement of children with lupus
- Epidemiology, severity and impact of cutaneous lupus manifestations
- Therapeutic approaches to cutaneous manifestations of children with lupus

17:30 - 19:00**PReS/ENCA joint session : Sexual Health****Amphitheatre****20:00 – 00:00****Networking dinner****Venue TBD***Upon additional registration*

Saturday, 19 September 2026

09:00 - 10:30

Bridging Bench, Bedside & Home: Childhood Sjögren's Disease & uCTD

Main Congress Hall A+B

- Molecular insights and immune profiling in cSD/uCTD
- Clinical phenotypes, diagnostic pitfalls, and treatment

10:30 - 11:00

Coffee break, visit of the exhibition and poster viewing

Exhibition Area

11:00 - 11:30

PRs Endorsed Oral session

Main Congress Hall A+B

More details will be available soon

11:30 - 12:30

Thieves market

Main Congress Hall A+B

More details will be available soon

12:30 - 13:00

Closing ceremony

Main Congress Hall A+B

More details will be available soon
